Spinell HOMES

The Spinell Story

Spinell Homes is the largest homebuilder in Alaska. Family-owned and operated for more than 30 years, we've built homes for our family, friends and thousands of our neighbors. In 2000, owners Chuck and Jackie Spinelli were joined by two of their children, Andre and Lauren. Spinell Homes is passionate about building safe, secure and energy efficient homes.

The Spinell Process:

- You choose the floor plan, we keep you on budget.
- Customized for your lifestyle and needs.
- Our transparent process simplifies the building experience.
- Relax, you have a 10-year structural warranty!

Custom Homes

Looking to build? Spinell Homes is available to build a home fit for your family. We have empty lots available outside our regular subdivisions or we can help find the perfect lot location.

Once you've picked a place to build, the experts at Spinell Homes will work with you to design a home for the lot and your lifestyle. The customized floor plan will fit the lot, maximize the views and sunlight and create a space unique to your needs and hobbies. We set a budget upfront and then show you finishes and options within your budget.

Give us a call today and let us build you the home of your dreams.
