STONECROFT VILLAGE

About the Community

Stonecroft Village 55+ Community is set in a picturesque, natural valley with incredible mountain views. Each phase of the community offers spacious lots featuring well-designed home plans, with an abundance of designer features included. The community features 23 acres of preserved open space with walking trails, and large, scenic pond with gazebo area. Comfortable and convenient, the Clubhouse at Stonecroft Village is perfect for entertaining and recreation. Buyer owns both the home and land in this quaint, relaxing community.

About the Area

Beautiful country living with easy access to major metro areas and attractions make Stonecroft Village 55+ Community the ideal setting for your new home. Located in Berks County, just across the western border of the Lebanon County line, Stonecroft Village is convenient to Hershey, Lebanon, Lancaster, Reading, Allentown, and Philadelphia and New Jersey are just a short drive away.
