ABOUT LACROSSE HOMES

Lindsay Dixon founded Lacrosse Homes in 1994. Inspired from his success as an All-American and World Team lacrosse player, and with the encouragement of his grandfather, Lindsay created Lacrosse Homes with the vision of becoming a premier builder of quality, hand-crafted homes along the Maryland and Delaware shores. Building on teamwork, competitive spirit and a passion for excellence, Lacrosse Homes has earned a reputation for quality craftsmanship, personal hands-on service and creating convenient neighborhoods that make the most of the area's natural surroundings. We look forward to sharing our exciting home designs with you.
