We have lenders that have financing available for almost any credit situation. Need Land? Take advantage of our Land Locator services. Have Land? Ask about our zero down option for land owners! Whether you're shopping for your family home, retirement home, or vacation home we have what you are looking for!

Affordable:

For today and tomorrow.

Today is when you first notice that Oak Creek Homes truly are better homes for less money. Over time you will appreciate the savings in service and maintenance costs and lower utility bills, and should the day come to sell your Oak Creek Home, that's the day you're grateful to have purchased a home with the Highest resale value in the industry.

Built Strong:

For lasting beauty and low maintenance.

State-of-the-art construction, brand-name materials, fixtures and appliances, Oak Creek is synonymous with quality. Our Quality materials and craftsmanship meet or exceeds applicable building codes and standards. We are so committed to Quality, all of our homes are inspected by third party agent before each home receives the Oak Creek Homes quality stamp of approval. (on homes 18' wide or larger)

Committed:

To your complete satisfaction.

Oak Creek Home is committed to providing you and your family a home you will enjoy for many years. It begins with innovation design, brand-name materials and quality construction and continues with a rigorous 47-Point Inspection on most models. Then it's covered by Oak Creek Homeguard Protection Package-unsurpassed in the industry, as is our Team who are always accessible should you ever need them.

Design:

To your tastes and lifestyle.

Oak Creek offers a complete line of Homes to match every lifestyle and suit individual tastes. Adjust floor plans, add special features and choose appliances, fixtures and finishes. Our innovation is but one example of how we lead our industry. This Is Your Home. We can build it.
