■ Plan B Homesites

## Plan B

Step on to the front porch and enter through a stately 8' x 3' door and into a spacious foyer. On the first floor, you'll find a jr. master suite with a private bath and direct access to the 2-car garage. Ascend to the second floor to the open concept great room-kitchen-dining nook combo, complete with 10' ceilings and an oversized island. The second floor also includes a powder bath and an open-air deck. The master suite is on the third floor along with another bedroom with a private bath and the laundry room..
